Dear Sponsor,

Thank you for your interest in Davie United Soccer Club, Inc. (DUSC) and for supporting our organization soccer.

DUSC is a 501(C)(3) non-profit organization and is one of the fastest growing soccer clubs in Florida. At DUSC we provide competitive soccer programs for beginners, competitive travel players between the ages of 5 and 18 and also adults. DUSC is not just another club, we are a center for the development of top performing athletes with the goal of preparing and guiding these athletes in preparation for the next step in their personal growth, university or professional aspirations. DUSC is a place where the ultimate goals are built around development for our players as an athlete, a student and as a member of our community. Development success is measured by individual growth, one that sees team success as a vehicle but not as a driving factor.

Without the help of sponsors like yourself, we would not be able to accomplish these goals.

Please refer to the club's website at [www.daviesharks.com](http://www.daviesharks.com) for additional information regarding our soccer programs.

All donations to Davie United Soccer Club are tax deductible.

Sincerely,

Davie United Soccer Club, Inc.

## Team Sponsorship

An Individual or Organization can choose to sponsor a Davie United Soccer Club team individually in order to facilitate or enable this team to reach a specific goal. Goals such as funding a specific tournament fee, the purchase of specific equipment or merchandise, fees to be used for overall team expense management.

How it works - The donation is made directly to Davie United Soccer Club and the funds are managed and administered by the club, 80% of the donated funds go straight to the team's budget and will remain at the team's discretion so long as the funds are being utilized towards the entire team during the current season. The remaining 20% of the fees go towards club credit and these are meant to cover the handling and administration of such activities.

Note: if the desire is only to sponsor an individual on a team, this is not recognized by DUSC as a club and all details are to be handled outside the boundaries of what is considered official DUSC business and transaction and no club benefits are to be expected.

Benefits to the donating entity - Depending on the size of the contribution, Davie United Soccer Club is prepared to offer its sponsor partners with specific opportunities for business exposure. These may include the following and are based on the size of the contribution.

- Logo placement on the DavieSharks.com website in the team sponsorship section
- 1-time Facebook add placement
- Relevant Tax Forms for your business
